CVT Application Instructions

Pursuant to Arizona Revised Statutes §32-2242, a person desiring to be certified as a veterinary technician shall make a written application to the Board upon a form furnished by the Board. The applicant must be at least eighteen years of age and shall furnish satisfactory evidence of graduation from a two-year curriculum in veterinary technology, or the equivalent of such graduation as determined by the Board in a college or other institution approved by the Board (i.e. an AVMA-accredited program of veterinary technology).

Materials Required For Your Application:

1. Documentation of passing VTNE score.
 - If you designated Arizona to receive your score when you took the VTNE – and – you passed within the last 5 calendar years, we will have your score.
 - If you did not designate Arizona to receive your score when you took the VTNE, contact the American Association of Veterinary State Boards (aavsb.org) to have your score transferred to us. AAVSB charges a fee for this service.
 - If you passed the VTNE more than five (5) years from the date you submit your AZ CVT application, you must re-take and pass the VTNE before using this application unless you have an active license/certificate from another state and can show proof of employment as a veterinary technician in that state for 2 of the preceding 4 years or 4 of the preceding 7 years (see information on next page).
2. Notarized Application Form (**Date of applicant's signature and notarization date must match.**)
3. A **non-refundable application** fee of \$150. This fee must be paid by **cashier's check, certified check, or money order** made payable to Arizona Veterinary Medical Examining Board (AZVMEB). **WE DO NOT ACCEPT PERSONAL CHECKS, BUSINESS CHECKS, CREDIT CARDS OR CASH for the initial application.** (Note: once you are eligible for certification, you will pay a \$50 (odd-numbered year) or \$25 (even-numbered year) certificate issuance fee).
4. A photograph taken within the last six months, preferably passport size. Can be a "selfie."
THIS IS A SEPARATE REQUIREMENT FROM #10.
5. An official, final transcript from an AVMA-accredited 2-year Veterinary Technology program must be sent directly to this Board by the school from which you graduated. Electronic versions are accepted. You may submit a copy if it is in a sealed envelope from your school.

Note: If you are graduating within 30 days before the exam, you will need to request a letter from the Dean of your school to be sent to our office, stating that you are in good standing along and the expected date of your graduation.

*If your transcript is in a different last name than the one on your application, please submit the document which supports your last name change.
6. "Arizona Statement of Citizenship or Alien Status for State Public Benefits" – Form included in this packet. Note that it 2 pages long and requires your signature and date on page 2.
7. Documentation proving legal presence in the U.S. The name on the documentation must match the name of applicant. If different, please submit supporting documentation, such as a marriage certificate, divorce decree, etc. Refer to the "EVIDENCE OF U.S. CITIZENSHIP, U.S. NATIONAL STATUS, OR ALIEN STATUS" list in this packet.
8. **DO NOT SUBMIT SOCIAL SECURITY CARD. We do not need original documents---send a copy of passport, driver's license, etc.**
9. Provide certificate/license verification (aka "letter of good standing") sent directly from the state(s) you are and/or have ever been certified in, showing your status, date certificate/license was issued, expiration date, and whether disciplinary action has occurred. Be sure that you include states where your license/certification has expired.

10. **IN ADDITION** to your proof of legal presence in the U.S. documents in #7, and the photo required in #4, you must also submit a government issued photo identification. Examples: U.S. Passport, driver's license, etc. If your proof of citizenship/legal presence document for #9 has a photo on it, that will meet this requirement.
11. If you are disclosing charges/convictions, certified court documents and your narrative regarding reportable charge(s) are required. Minor traffic violations are not reportable.

IMPORTANT: If you are a student at the time of application, then your final, official transcript needs to be sent to the Board office within 15 days of graduation. Electronic versions are accepted.

If you are licensed/certified/registered as a technician in another state, you will need these additional items to waive retaking the VTNE, if it has been over 5 years since you passed that exam:

13. Please contact the AAVSB (aavsb.org) and have your VTNE score transferred to our office. AAVSB charges a fee.
14. Request certificate/license verification be sent directly to this office from the state(s) you are/were certified/licensed in, reflecting your status, date certificate/license issued, expiration date, certificate/license number.
15. Provide proof of employment as a veterinary technician for 2 of the preceding 4 years OR 4 of the preceding 7 years related to employment in the state(s) where you are licensed/certified (not Arizona work). This would be a letter from your employer(s) indicating the date (month/year) of your start/end date. Call the Board office for other options.

NOTES:

- If you passed the VTNE within the last 5 years of your application to us, you are not required to retake the VTNE, nor provide proof of employment as stated in #15, and your certificate/license in another state is not required to be active; however, we do require the certificate/license verification (a.k.a. "letter of good standing") be mailed to our office by the issuing State Board or association.
- If you have established residency in Arizona and your license/certificate in another state has not lapsed, expired, or been revoked, you may want to consider the certification pathway of "Universal Recognition," which requires less documentation; the fees are the same. See that application packet or call Board staff for information and detailed requirements to determine if you are eligible.

Submit your application to:

**Arizona Veterinary Medical Board

4. Exams will be graded in 1-2 weeks after the last applicant's exam is returned. If you have passed, we will notify you about your exam score and next steps to take. If you have failed, the Board will deny your certificate and you must re-apply (including paying the application fee again.)
5. You will need to submit the certificate issuance fee (\$25 even-numbered years/\$50 odd-numbered years) prior to your certificate being issued. Fee may be paid by personal, business, certified/cashier's check or money order.
