Dear Applicant:

Thank you for your request for an application and information regarding Arizona's veterinarian licensing and examination procedures. Licensure is available to graduates from a college of veterinary medicine accredited by the American Veterinary Medical Association (AVMA) and to applicants who hold an Educational Commission for Foreign Veterinary Graduates (ECFVG) certificate issued by the AVMA or a Program for the Assessment of Veterinary Education Equivalence (PAVE) certificate issued by the American Association of Veterinary State Boards (AAVSB).

An applicant may apply for a *Regular, Endorsement or Specialty License*. For your convenience, the requirements for each category are listed separately in this packet. A brief explanation follows:

- **Regular License:** The applicant is a graduate from a college of veterinary medicine accredited by the AVMA, or holds a certificate of completion issued by the ECFVG or PAVE. The applicant must have passed the North American Veterinary Licensing Examination (NAVLE) examination with a score of at least 425 (75%) within 5 years of application for state examination and licensure. For further requirements and instructions, please see the page titled, "*Instructions for Completing the Application Process: Application for Regular License.*"
- **Endorsement License:** The applicant is a graduate from a college of veterinary medicine accredited by the AVMA, or holds a certificate of completion issued by ECFVG or PAVE and has not taken the NAVLE within the past 5 years. The applicant is currently licensed as a practicing veterinarian in another state. For further requirements and instructions, please see the page titled, "*Instructions for Completing the Application Process: Application for Licensure by Endorsement.*"
- **Specialty License:** The applicant is a graduate from a college of veterinary medicine accredited by the AVMA, or holds a certificate of completion issued by ECFVG or PAVE and holds a current certification as a diplomate of a national specialty board or college recognized by the AVMA. Passing the NAVLE prior to or after application is not required for this type of license. NOTE: The applicant's practice will be limited to the scope of the applicant's board certification. For further requirements and instructions, please see the page titled, "*Instructions for Completing the Application Process: Application for Licensure as Specialty.*"

An applicant who meets the criteria for one of the licensing categories and who wants to practice veterinary medicine while awaiting the next scheduled state examination may apply for a temporary permit. For further instructions, please see *Instructions for Completing the Application Process: Temporary Permit.*

NAVLE ONLY: An applicant who is a current student in the last year of a college of veterinary medicine accredited by the AVMA **or** a graduate of a college of veterinary medicine accredited by the AVMA **or** who is enrolled in the ECFVG or PAVE program may apply to take the NAVLE examination given twice a year.
