APPLICATION FOR LICENSURE BY UNIVERSAL RECOGNITION

A.R.S. 32-4302

The Universal Recognition policy allows Arizona residents to use an out-of-state professional or occupational license to qualify for an Arizona license to work. To qualify, an applicant must:

1. Prove residency in Arizona
2. Be currently licensed for at least ONE YEAR in another U.S. state in the discipline applied for and at the same level of practice as recognized in Arizona
3. Be in good standing in all states where currently or previously licensed
4. Must not have had a license revoked or have voluntarily surrendered a license in any other state or country while under investigation for unprofessional conduct
5. Must not have a complaint, allegation, or investigation pending before another regulating entity in another state or country that relates to unprofessional conduct
6. Must have met all applicable education, work, exam, and/or clinical supervision requirements in the other state where originally licensed
7. TAKE AND PASS THE ARIZONA STATE VETERINARY EXAM (75% score minimum)
8. Pay all applicable application and issuance fees to the Arizona State Veterinary Medical Examining Board

Note: This type of license will allow you to work at the same practice level that you are allowed in the state(s) for which you have been licensed at least one year! For example, if you have a "specialty" license in another state that limits your practice to the scope of your specialty (diplomat) board certification, then you may be granted a "Specialty" veterinary license in Arizona that has the same practice limits.

Please read all the enclosed information and instructions carefully before submitting your application. Your application must be complete prior to the deadline for the State exam you wish to take; you will be notified if your application is incomplete. There are no refunds for applications. If you fail the State exam, you will need to re-apply.
