12 The Arizona State Veterinary Medical Examining Board ("Board") has probable cause to
13 believe that you are practicing veterinary medicine or providing veterinary services to animals.
14 A review of the Board's records reveals that you are not a licensed veterinarian. The Board has
15 information that you provided veterinary medical services to publicly owned animals in Arizona,
16 specifically "Baby" [REDACTED] a 12-year-old female mixed breed dog. A person who practices
17 veterinary medicine or surgery, as defined in A.R.S. §32-2231, without a license and registration,
18 and/or who unlawfully assumes or advertises a veterinary title conveying the impression that the
19 person is a lawful practitioner of veterinary medicine, and/or who violates any provision of the
20 Veterinary Practice Act is in violation of A.R.S § 32-2238. Moreover, a person who engages in
the unauthorized practice of a health care profession is guilty of a class 5 felony.

21 By authority under A.R.S. § 32-2237 (E), if the Board has probable cause to believe that
22 an unlicensed person is performing acts requiring licensure or violating the Veterinary Practice
23 Act, it may do any or more of the following:

- 24 1. Issue a cease and desist order.
25 2. Request the county attorney or attorney general to file criminal charges against
the person.

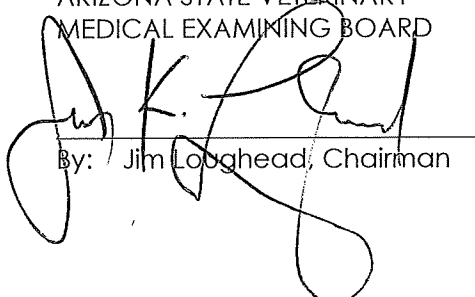

3. File an action in superior court to enjoin the person from engaging in the unlicensed practice of veterinary medicine.
4. After notice and an opportunity for a hearing, impose a civil penalty of not more than one thousand dollars for each violation.

IN ACCORDANCE WITH THE BOARD'S ACTION TAKEN ON OCTOBER 16, 2019, THE BOARD ISSUES THE FOLLOWING CEASE AND DESIST ORDER: Mario J. Cruz shall cease and desist from engaging in the practice of veterinary medicine as defined in A.R.S. § 32-2231 or in any other manner violating the Veterinary Practice Act. Should you fail to comply with this Cease and Desist Order at any time, the Board reserves the right to pursue any and all additional legal actions authorized by law.

NOTICE: Pursuant to section 41-1093.01, Arizona Revised Statutes, an agency shall limit all occupational regulations to regulations that are demonstrated to be necessary to specifically fulfill a public health, safety or welfare concern. Pursuant to sections 41-1093.02 and 41-1093.03, Arizona Revised Statutes, you have the right to petition this agency to repeal or modify the occupational regulation or bring an action in a court of general jurisdiction to challenge the occupational regulation and to ensure compliance with section 41-1093.01, Arizona Revised Statutes.
